

Accessible Arts & Bundanon Trust Artists in Residence 21-27 November 2022

About the residency:

The Bundanon Trust Artist-in-Residence program is the largest of its kind in Australia, making it highly sought after by artists nationally.

Accessible Arts partners with Bundanon to present an annual residency program specifically for artists with disability or who are d/Deaf. These residencies have been important stepping stones in the creative and career development of many successful Australian artists with disability.

The 2022 Accessible Arts and Bundanon Trust Artist-In-Residence Program is now open to musicians and visual artists with disability from NSW and the ACT. Up to five (5) musicians and/or visual artists will be funded to undertake a six (6) night residency at the renowned Bundanon Trust estate from 21 - 27 November 2022.

Successful applicants will be accommodated in accessible self-catering cabins incorporating an artist's studio, or musician's cottage. They will also be given a bursary to cover per diems.
